

# REFORMING THE CHURCH'S SONG

***OCTOBER 24, 2020 | MINNETONKA, MN | 9 AM – 4:30PM***

In each “Treasures” talk, Michael will explore and describe the great hymns found within that section of *Cantus Christi 2020*. As he walks through the hymns, we will also have the opportunity to sing through a number of them during his talks.

The majority of our singing will occur during the two-hour hymn sing at the end of the conference, which is optional for attendees but highly encouraged.
